Subject: Re: Windows 32-bit version
Posted by antaki on Wed, 25 Aug 2021 13:00:28 GMT

Hi!
I also use an old computer with 32 bit Windows 7. I would like to download version 4
.7.2, but from the link openmolecules.org/datawarrior/datawarrior472_32.msi I cannot do it.
Can anyone drop another link or the file itself?
