Subject: Re: Copy and Paste 3D Pose Posted by sbembenek18 on Mon, 23 Jan 2023 22:41:25 GMT View Forum Message <> Reply to Message

Hi Thomas,

When I use the copy 'Molfile V2' or 'Molfile V3' option in this way, it copies 2D coordinates produced by DW, not the original 3D coords loaded from the SDF. Is it possible to get to the original 3D coords via a simply copy command in DW?

thanks,

Scott
