Subject: Re: DW as a KNIME Plugin Posted by wsmts on Fri, 03 Feb 2023 14:03:44 GMT View Forum Message <> Reply to Message

I'm using the "External Tool (Labs)" node to do exactly this. You can have the node generate an SDF to a fixed location, launch dw with a macro as command line parameter, and open the sdf using this macro.

I hope this makes sense.
