thanks for the quick follow up!

I am using Data Warrior version 5.0.0 (installed via the Linux Installer) under Centos 7.6.

And java:

openjdk version "1.8.0\_212"

OpenJDK Runtime Environment (build 1.8.0\_212-b04)

OpenJDK 64-Bit Server VM (build 25.212-b04, mixed mode)
