Version 4.7.1 gives an error on attempted structure copy from within DW.

Also, trying to copy as _____ (any option from ChemDraw) and then paste into DW gives the same error.

```

Sorry for the issue and thank you for the message. After investigation it seems that only Windows 64-bit is affected. You may solve the issue by renaming the 'actelionclip.dll' file in 'C:\Program Files\DataWarrior\' directory to 'actelionclip64.dll'.

Nevertheless, I will release a minor update soon that resolves the issue.

Thomas
