Subject: Problem opening the program on my MacBook

Hi,

I have a problem opening the program after downloading the program. The notification informed me that the developer could not be verified. Therefore, I would like to ask if you have any suggestions to solve this problem.

Best regards,

Sorry that I did not read the forum carefully. I found the solution for my issue from the previous message; <https://openmolecules.org/forum/index.php?t=msg&th=410&start=0&>.

Thank you.
